

Year 1

Willaston Primary School

All children have a Learning Journal to record projects/home learning.

The School Facebook Page/School Website will have regular updates of new learning available for children.

Maths

Websites:

- mathematics shed -(free access)
- my maths (free access)
- top marks (free access)
- third space learning (free access)
- White Rose Maths - home learning packs
- number blocks
- Number bonds to 10 and 20 - (youtube videos)

Activities/Games:

- Choose numbers within 20. Can you write the numeral, as a tally, in words, one more, one less, represented on a tens frame?
- Make a concept map for weight and volume - this is a big picture showing everything you know about that topic. It could include pictures, stories, diagrams, words symbols anything
- Make a true or false game for numbers within 10. Eg addition and subtraction number sentences. Choose your answer and see how many of your number sentences end up in the true box or false box. How fast can you complete this?
- Go on a shape hunt around your house/garden, keep a tally of how many of each shape you find and make a bar graph.

English

Websites:

- Oxford Owls (Reading books for all ages - free access and Read Write Inc)
- Pobble
- Nessy
- Literacy Shed
- Once upon a picture
- Alpha Blocks
- Puppet Pals
- CBBC Jackanory
- Phonics play/phonics bloom/teach your monster to read- (free access at the moment)

Activities/Games:

- read Pirate George Series available on kindle
- Take a picture of something you love in your house. Can you describe it using fantastic adjectives?
- As we have been learning about pirates and treasure, write about something you treasure. This could be something or someone. Write about who, what, why, when, how.
- Write a story about a pirate who lost his ship!
- Practice writing letters in sand, water, shaving foam, paint, chalk, dough anything.

Willaston Primary School

Cross Curricular

Websites:
