

# Year 1 Willaston Weekly Distance Learning After Easter WB 11.5.20

**Daily Reading** Ensure your child reads everyday. Please access Oxford Owls for your books as they are similar to the Guided Reading books that we send home every week. [https://www.oxfordowl.co.uk/for-home/library-page?view=details&query=&type=book&age\\_group=&book=&book\\_type=Fiction&series=Read+Write+Inc](https://www.oxfordowl.co.uk/for-home/library-page?view=details&query=&type=book&age_group=&book=&book_type=Fiction&series=Read+Write+Inc).

Practice reading real and fake words by playing this pirate game called buried treasure on phonics play. <https://new.phonicsplay.co.uk> it is free during home learning time - use phase 4 and upwards.

\*\* I have attached some 60 second reads about pirates this week. Have a go and see how fluent you are? Read with a grown up or on your own and have a go at the comprehension activities.

\*\* Read the Poem below together. It is called Mrs Pirate By Nick Sharrett.

## Writing Tasks - A Day In The Life of a Pirate

\*Now you have planned what Pirates love to do during the day. Can you complete a story map of your ideas. See the attached sheet. You can either print and fill this in or you can make your own :) Have a go at completing in pictures and words. Make sure you add some wow words such as adjectives and your time connectives next to the pictures so you can use them when you write your final piece.

\* Read poem below called 'Mrs Pirate' by Nick Sharret. It is a wonderful poem that tells us what pirates might buy when they go shopping. Can you write all the words that rhyme in the poem?

**Phonics** - please watch [https://www.youtube.com/channel/UCo7fbLgY2oA\\_cFCIq9Gdx+Q](https://www.youtube.com/channel/UCo7fbLgY2oA_cFCIq9Gdx+Q)

This is the Phonics channel on you tube and this is how I would teach phonics in school Your child can watch this from 9am - 10:30 with the different speed sounds lessons I would recommend set 2 and set 3 sounds.

I have attached powerpoint presentations to practice speed sounds, learn a new sound, Red words, Green words and writing practice.

\*\*watch alphablocks <https://www.youtube.com/watch?v=spiH4piN3yc>

\*\* play EWWW! This is a sorting game. You have to read the words and if it makes an oo sound when you blend it to make sense keep it. If it makes an ew/you sound when you blend to make sense, say EWWW and throw behind you! See Words below

## Maths focus

This week "Me Hearties" we are going to learning about Fractions. A fraction is a part of a whole, a bit like a part part whole model. We are going to start by looking at finding half. I have attached 1 powerpoint about fractions and finding half this week. I would love for you to get hunting and find things in all places, on your walks, in the bath, whilst reading, baking. Whatever you guys get up to! Remember half is 2 equal parts, meaning they are both the same. \*Make a concept map of everything you know about finding half! Go on a hunt around your house and garden to find things that you can halve. It might be physical objects, it might be amounts of things, it might be filling something half full. Whatever you can find

## MAD ABOUT PLANTS!

In year 1 we loved going out into nature looking at types of plant, where they grow and even growing our own little plants too. We are going to do some more work on plants this half term which will give you an opportunity to explore our island too.

\*Attached is a cut and stick sheet where you can order the sequence of planting a seed. Once you have done this, ask your grown up very politely to see if you can buy some seeds for your self to look after.

\*\* I have also attached a flower and plant hunt sheet. Make a tally of how many of each plant you find. I would recommend going to a glen or park to do this.

\*\*\*When you get back can you make a bar chart to show how many of each plant you found. What was the most common?

## More Pirate Fun!

- \* Can you make a pirate telescope out of a loo roll tube/kitchen roll tube? See picture below.
- \* As we know, Pirates loved to sail the 5 oceans? Can you find out what these oceans are called? Can you find them on a map/atlas/globe/google maps?
- \* <https://www.youtube.com/watch?v=X6BE4VcYngQ> - learn a song about the Oceans
- \* Can you Research some David Hockney water paintings. Can you create a water picture? This could be a swimming pool/ocean/puddle. Can you use the same bright colours? Check out the powerpoint

## Ongoing ideas to support your year 1 child -

Make a diary of your day to day life at home and draw a picture. (bring in once school is open again.)

Handwriting practice - watch this youtube video with a paper and pencil to form letters correctly.

<https://www.youtube.com/watch?v=ePrSi2Vp0hM>

Use phonics sound mats to practice letter sounds.

Counting forwards and backwards within 50.

Practice counting in 2s 5s 10s

Number formation - please see the attached powerpoint to help form numbers correctly.

Follow White Rose Maths on Facebook - join Year 1 maths group. Each day there will be activities posted to facebook specifically for year 1.

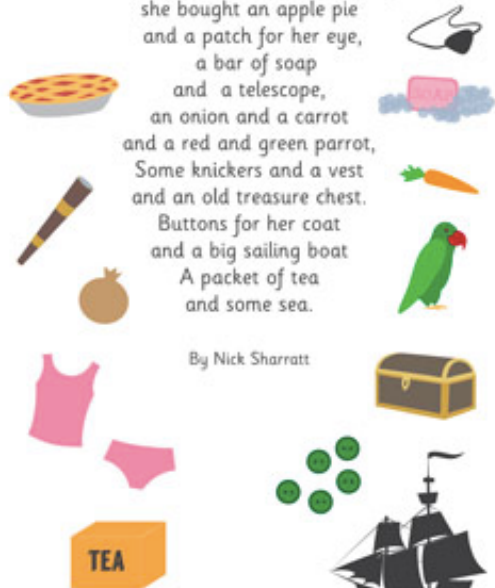

Follow Oxford Owls on Facebook and they post activities daily and their website is free at the moment for Ebooks - these are similar to the phonics books sent home. Search Read Write Inc E Books.

## Mrs. Pirate

When Mrs. Pirate went shopping,  
she bought an apple pie and a patch for her eye,  
a bar of soap and a telescope,  
an onion and a carrot, and a red and green parrot,  
Some knickers and a vest  
and an old treasure chest.  
Buttons for her coat  
and a big sailing boat  
A packet of tea  
and some sea.
