

# Year 1 Willaston Weekly Distance Learning After Easter WB 18.5.20

**Daily Reading** Ensure your child reads everyday. Please access Oxford Owls for your books as they are similar to the Guided Reading books that we send home every week. [https://www.oxfordowl.co.uk/for-home/library-page?view=details&query=&type=book&age\\_group=&book=&book\\_type=Fiction&series=Read+Write+Inc](https://www.oxfordowl.co.uk/for-home/library-page?view=details&query=&type=book&age_group=&book=&book_type=Fiction&series=Read+Write+Inc).

Practice reading real and fake words by playing this pirate game called buried treasure on phonics play. <https://new.phonicsplay.co.uk> it is free during home learning time - use phase 4 and upwards.

\*\* I have attached a quick phonics reading powerpoint which will help with both Alien words and phonetic decoding - practice these trying to put 'Fred in your head' to build fluency.

\*\* Read the Poem below together. It is called Mrs Pirate By Nick Sharrett.

## Writing Tasks - A Day In The Life of a Pirate

\*Now you have planned what Pirates love to do during the day using a story map - can you now write your day in the life of a pirate! Pretty please can you send me a copy of your final pieces - I would love to see them tea stained like real pirates and in as much detail as you can. Try and do this as independently as you can :)

\* Read poem below called 'Mrs Pirate' by Nick Sharret. It is a wonderful poem that tells us what pirates might buy when they go shopping.

\*\*Can you write a shopping list for a pirate too? Is there anything that Mrs Pirate forgot? Or something you want to add now you know so much about pirates? After this, maybe you could make a pirate shop and buy and sell these

## Phonics - please watch [https://www.youtube.com/channel/UCo7fbLgY2oA\\_cFCIq9GdxtQ](https://www.youtube.com/channel/UCo7fbLgY2oA_cFCIq9GdxtQ)

[UCo7fbLgY2oA\\_cFCIq9GdxtQ](https://www.youtube.com/channel/UCo7fbLgY2oA_cFCIq9GdxtQ)

This is the Phonics channel on you tube and this is how I would teach phonics in school Your child can watch this from 9am - 10:30 with the different speed sounds lessons I would recommend set 2 and set 3 sounds.

I have attached powerpoint presentations to practice speed sounds, learn a new sound, Red words, Green words and writing practice.

\*\* play IRE ON FIRE! - This is great fun! You will need chalk, a water gun or a paint brush and water. Write the words below on a wall or pavement. Now you need to squirt only the words that have the new sound ire in it - they are on fire!

**Maths focus** - As with last week - we are focussing on fractions and mainly finding half. Remember this is when the whole is split into 2 equal (same) parts. Last week you have made a mind map of everything you know to do with half. This week I have attached a powerpoint and this mainly focuses on finding half of amounts. If you have it at home or on Netflix, watch the film Matilda. In this film there is a part, where Miss Honey is talking about her dads delicious chocolate box. She says "he would take a knife, cut it in half, and he would always give me the bigger half". Miss honey is a teacher, so she should be right about halves... but is she? The bigger half? Can this ever be right? Is there ever a bigger half? Work through the powerpoint and see if you can answer this question and prove it! \*\*Make a sandwich together and cut into halves. What shapes are the halves? If you do it another way, what shape do they make now? Is it still half?

## TERRIFIC TREES!

More on plants this week - but this time we are looking up instead of down - Yes we are looking at trees! Trees are plants too you know!

Instead of a plant hunt - we are going on a Tree Hunt! Use the sheets attached to see if you can spot any of these trees.

Use the attached powerpoint to have a look and see which ones you found? Did you find a deciduous tree or an evergreen tree? The Clue is looking at the leaves! Are they thick and waxy? Or are they thin?

<https://www.bbc.co.uk/teach/class-clips-video/science-ks1-ks2-ivys-plant-workshop-are-plants-the-same-all-year-round/zdvct39> - watch this clip about the difference between the types of trees.

\*\*Watch <https://www.bbc.co.uk/cbeebies/makes/feeling-better-feelings-tree?collection=national-gardening-week> - Make a feelings tree and talk about how you feel each day with your grown up. Try putting a new leaf on every time you have a different feeling and talk about why you have that feeling.

## Manx Madness

\* Use this video to learn about weaving <https://www.youtube.com/watch?v=e6W---m5j9I>

As we are experiencing some glorious Manx weather, we can clearly see the lovely colours of our island.

Below I have attached the Manx tartan - the colours all represent different parts of our beautiful Island.

Can you recreate the Manx tartan after watching the clip? Or maybe you could create your own family Tartan! What does each colour represent for your family?

Can you go on a walk or drive to find all the things that make up the Manx Tartan?

## Ongoing ideas to support your year 1 child -

Make a diary of your day to day life at home and draw a picture. (bring in once school is open again.)

Handwriting practice - watch this youtube video with a paper and pencil to form letters correctly.

<https://www.youtube.com/watch?v=ePrSi2Vp0hM>

Use phonics sound mats to practice letter sounds.

Counting forwards and backwards within 50.

Practice counting in 2s 5s 10s

Number formation - please see the attached powerpoint to help form numbers correctly.

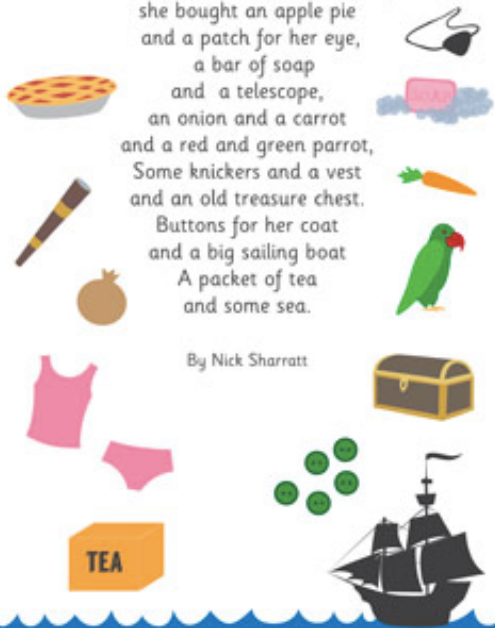

Follow White Rose Maths on Facebook - join Year 1 maths group. Each day there will be activities posted to facebook specifically for year 1.

Follow Oxford Owls on Facebook and they post activities daily and their website is free at the moment for Ebooks - these are similar to the phonics books sent home. Search

## Mrs. Pirate

When Mrs. Pirate went shopping,  
she bought an apple pie  
and a patch for her eye,  
a bar of soap  
and a telescope,  
an onion and a carrot  
and a red and green parrot,  
Some knickers and a vest  
and an old treasure chest.  
Buttons for her coat  
and a big sailing boat  
A packet of tea  
and some sea.

By Nick Sharratt

1. Bonfire
2. Fire
3. Spire
4. Tire
5. Spire
6. Vampire
7. Dice
8. Huge
9. Cool
10. Car
11. Start
12. Beat

## Manx Tartan

The inspiration for the seven colours in Manx Tartan is given as:

Light blue for the sky

Green for the hills & valleys

Purple for the heather

Gold for the gorse

Red for the fuchsia

White for the cottages

Dark blue for the sea
