

Year 3 Willaston Weekly Distance Learning Week 3

Daily Reading

Ensure your child reads everyday. Check that they are reading accurately and have a clear understanding of what they have read. Ask questions throughout and see what they can recount/

Writing Tasks - T4W

This week I am sending a Home-School booklet home - TRUTH ABOUT TROLLS which revises lots of different skills we have worked on in year 3. There is lots to read at the start- if adults could share this with your children. That would really help. Further on there are lots of writing activities to do which should really help .
Design your very own troll and describe what he would look like/ what might he say/ what could he do.

Maths focus : TIME

This week I have decided to leave Fractions as we were getting to the tricky parts!

We are going to start on TIME - WEEK 1- MONTHS AND YEARS-

Use the powerpoint to start and then there are lots of different questions to test your learning .

Learn the 30 days rule off by heart and this will help you so much to sort the months of the year out!

SCIENCE- MATERIALS ALL AROUND US:

We are going to explore the different materials objects around our homes can we made from- E.g- PLASTIC, WOOD, GLASS, METAL ETC . Start off with MATERIALS HUNT - Find lots of different examples for each activity. Then question why different objects needs to be made from certain materials- WHY ARE WINDOWS MADE FROM GLASS? WHICH MATERIAL IS BEST FOR.....

Ongoing ideas to support your year 3 child :

MATHS :

Find as many **Pairs of numbers** to **make 100** as you can - get an adult to test you-

$$29 + ? = 100$$

$$42 + ? = 100$$

READING AND LISTENING:

Listen to the Secret Garden
On Audible

<https://stories.audible.com/start-listen>

Think of fantastic words of describe the Secret Garden . Remember the pictures from our classroom?

LEARNING OUTSIDE:

This week, try some of the 1-10 NATURE ACTIVITIES outside —
