

Materials around your house

Can you find **three** different objects that are made out of these materials and explain **WHY** you think they are made out of this material?

Material	What 3 things did you find?	Why do you think it was made with this?
PLASTIC		
METAL		
WOOD		
GLASS		
FABRIC		
STONE		

Sketching materials around my home

Search around your home for objects made out of different materials.

I found
this that is made out of It
is a

Which material would be best?

Would these objects be better made using fabric, paper, metal, glass, rubber or plastic?

	Which material?	Why?
Tyre		
		
Towel		
		
Saucepan		
		
Notebook		
		
Bottle		
		
Window
