

## Year 3 Willaston Weekly Distance Learning Week 3

### Daily Reading

Ensure your child reads everyday. Check that they are reading accurately and have a clear understanding of what they have read. Listen to chapter 1 of THE IRON MAN - several times this week and follow the words.

### Reading and Writing Task - THE IRON MAN Chapter 1

This week I am sending a Key note of Chapter 1 of a brilliant story THE IRON MAN —Your first task is to read it carefully- with an adult's help if needed- you will need to read it a few times to build a picture in your head. You can also listen to it being read aloud on -<https://www.youtube.com/watch?v=ycgfA-7udHs> and follow the words on the keynote. It is a brilliant story and you cannot listen to it too many times- trust me! Your writing task this week is to use the template attached to create a really good character description- What does he look like? What does he sound like? How does he move? Does he have feelings? Be brave!

### Maths focus : TIME

We are continuing with learning to tell the time. - WEEK 2-HOURS IN A DAY

Use the powerpoint to start and then there are lots of different questions to test your learning.

Get an adult to test you on questions like- What time is it now? How many hours until tea-time? How many hours between 2pm and 11 pm? If its 7pm, what time will it be in 5 hours time ?

### SCIENCE- MATERIALS ALL AROUND US:

This week we are going to build our understanding of vocabulary related to Materials, e.g bumpy, absorbent, hard, soft ,etc .There is a mat to help you understand what these tricky words mean and then I want you to go on another MATERIALS HUNT to find objects to write in each box. You might need an adult to help you understand the words- don't just guess!
