

Year 3

# Willaston Primary School

Each child will be given a Learning Journal to record projects/home learning.

The School Facebook Page/School Website will have regular updates of new learning available for children.

## Maths

### Useful websites:

- see school website - [USEFUL LINKS](#) page for lots of useful websites

### Activities/Games:

- practise timetables/speed recall
- Practise  $\times 2, \times 5, \times 4, \times 8, \times 10$  tables and test yourselves on the link with - division - e.g if  $2 \times 5 = 10$ , then  $10 \div 5 = 2$
- Get an adult to test you on telling the time- both digital - 10.15 and analogue- quarter past 10 - you need to learn both ways - this is the challenge !
- Practise counting forwards and backwards in steps of 10, 20, 50, 100
- Use a measuring tape at home- choose 10 different things to measure- estimate first then measure and check how close you were
- Choose 2 2-digit numbers - eg. 42 and 65- see if you can add them together mentally - write down the answers and get an adult to check- you can do this lots of times.
