

## Year 3 Willaston Weekly Distance Learning Week 7- 18/05/20

### Daily Reading

Ensure your child reads everyday. Check that they are reading accurately and have a clear understanding of what they have read. Listen to chapter 4 of THE IRON MAN several times this week and follow the words.

### Reading and Writing Task - THE IRON MAN Chapter 4

This week I am sending you Chapter 4 of our brilliant story THE IRON MAN — Your first task is to read it carefully- with an adult's help if needed- again please read it a few times to build a picture in your You can also listen to it being read aloud on - <https://www.youtube.com/watch?v=NAiU8Hm-4lw> and follow the words on the keynote. Your writing activity is to draw a detailed picture of the Space Being in the centre of your page, choose your 10 best adjectives to describe him and write these around him. Now choose 3 key features- e.g its eyes, its wings, its horrible black scales and write a short but powerful description of the Space Being . What does it look like/ sound like/ how does it feel.?

### Maths focus : TIME

We are continuing with learning to tell the time. - STEP 5 —AM AND PM TIMES Use the powerpoint to start and then there are lots of different questions to test your learning.

Get an adult to test you on telling the time-get them to test you whether its am or pm- - e.g questions like: 1/4 past 3 in afternoon? 1/2 past 8 in the morning?

(Remember a.m. times are between 12.00 midnight and 12 midday, p.m. times are between 12 midday and 12 midnight) Have a try at making a list of things you do in the am / pm parts of the day to test you.

### SCIENCE TOPIC- MATERIALS

Use the real -life objects sheet on the website to help you - This week, go outside and collect up to 20 different objects from your garden/local area/ . Using some blank paper - a large sheet if you can, stick each object on the sheet and think of as many describing words as you can- I have attached an example of how you can organise it. Remember those great words you have been learning to describe different materials.

### Ongoing ideas to support your year 3 child :

#### **MATHS :**

Keep practising telling the time- Am and pm times? Analogue and digital  
- what is 3.15 in analogue time?  
- 25 past 4 in digital time?  
- 8.05 in analogue time?  
-HAVE A GO AT your 6 TIMES TABLES

#### **READING AND LISTENING:**

Choose a story to listen to on Audible

<https://stories.audible.com/start-listen>

#### **CATEGORY GAME - BIRD ALPHABET**

Can you think of a bird for every letter of the alphabet

a = albatross, b = budgie, c = crow,

Now try adding some great adjectives- an angry albatross, a bust budgie, .....

#### **VOCABULARY —**

Find out what these words mean from THE IRON MAN -

astronomer, peering, wriggling, gloomy, meteorite, immense, charred.
