

## Year 3 Willaston Weekly Distance Learning Week 8- 25/05/20

### Daily Reading

Ensure your child reads everyday. Check that they are reading accurately and have a clear understanding of what they have read. Listen to chapter 5 of THE IRON MAN several times this week and follow the words.

### Reading and Writing Task - THE IRON MAN Chapter 5

This week I am sending you Chapter 5 of our brilliant story THE IRON MAN — Your first task is to read it carefully- with an adult's help if needed- again please read it a few times to build a picture in your You can also listen to it being read aloud on -<https://www.youtube.com/watch?v=HzGQUs6Vcjc> and follow the words on the keynote. Your writing activity this week is to answer questions about ch5 on activity sheet and then tell me - your favourite part of the story? Your favourite character? Now can you design a new front cover for this terrific book now that you have read it. I ve attached the original cover to our distance learning . Don't forget the title and the author's name.

### Maths focus : TIME Revision time

This week I am sending a revision lesson to check what you have learned so far. Test yourself on telling the time to one minute by answering the questions from the powerpoint.

I have also sent a Maths Investigation activity about "next door neighbour" numbers- e.g 3,4,5,6, or 11,12,13,14 . Read it carefully and have a go- see if you notice some patterns in your answers as you work the answers out.

### SCIENCE TOPIC- MATERIALS and their SUITABILITY

This week we are going to explore why certain materials are used to make different objects- how suitable are they? Why are windows made from glass? What are our whiteboards made from- is this a good choice of material? Think about if different materials were used to make different things around your house- a different door/ a different settee? A different tv? Use the words from your last few weeks learning help you: absorbent, flexible, strong, etc.

### Ongoing ideas to support your year 3 child :

#### **MATHS :**

Keep practising telling the time- Am and pm times? Analogue and digital  
- what is 9.15 in analogue time?  
- 5 past 8 in digital time?  
- 12.05 in analogue time?  
Have a go at timing yourself on different activities? Getting dressed- how long? Setting the table- how long?

#### **READING AND LISTENING:**

Choose a story to listen to on Audible  
<https://stories.audible.com/start-listen>

#### **CATEGORY GAME - PLACES ALPHABET**

**Can you think of a place for every letter of the alphabet**  
a =Africa , b =Berlin, c =Cardiff,  
Think of local place names and places from all around the world.

#### **STICKY QUESTION:**

**What would life be like for someone who was afraid of nothing ?**

**What would life be like for someone who was afraid of nothing?**
