

Mirror of Despair

MIRROR OF DESPAIR

Thinking back...

Last week you met the Mirror of Wishes, which shows what you desire the most.

However, there is also a Mirror of Despair, which shows what you fear the most!

Read the following example...

The Mirror of Despair

The teacher looked into the mirror
And saw children throwing paper airplanes.

A sailor looked into the mirror
And saw a tsunami approaching.

Superman looked into the mirror
And saw he was wearing a pair of kryptonite tights!

An astronaut looked into the mirror
And saw an asteroid as big as Bristol approaching

A pirate looked into the mirror
And saw sharks gathering beneath the plank.

A dragon hunter looked into the mirror
And saw that he had picked up a plastic sword by mistake.

A writer looked into the mirror
And saw a library burst into flames.

In his example, Pie has used the same characters who looked into the Mirror of Wishes.

Have a go at writing your own Mirror of Despair poem. You can use the same characters as you chose for the Mirror of Wishes, or you could think of some new characters.

Remember to post your poems on our Google Classroom!
