

## Year 6 Willaston Weekly Distance Learning Week 2

### Reading

Look at chapter one of *Good Night Mister Tom* - <https://classroomsecrets.co.uk/free-reading-extracts/Goodnight-Mister-Tom-Extract-Chapter-1.pdf> Then try some of the questions and activities around the chapter. Is this a book that you would like to continue to read? **Don't forget to do your own reading or audio listening - Amazon audible is free for children!**  
**Further reading** - Have a look at Oxford Owls website for suitable books online, the First News is available on line from our school website.

### Writing Tasks - Fiction

<http://www.pobble365.com/supermans-dilemma>

Look at the image and the writing ideas below it on the web page. You could continue the story or create your own. There are also lots of further writing ideas that you could use on this page. Let me know if you can't access this.

**Look at google classroom for 'word' of the day posts!**

### Writing Tasks - Non Fiction

Can you write a newspaper report - reporting the appearance of the Hell Hound on the moors? (from our Hell Hound Text) Remember that a news report needs a great headline, reporting from the past, maybe some key witnesses and quotes from the witnesses. You may want to record yourself reporting the news too! Send the videos to our google classroom.

**Maths focus - make sure that you are completing a fluent in five or a timetable quiz often - I have included year 4 & 5 packs to ensure everyone has something they can easily get on with independently. Look at White Rose Maths Party - each day for a great video question - its fun and gets your reasoning skills going! <https://whiterosemaths.com/homelearning/>**

This week we complete our focus on fractions. I know everyone has struggled with this and it is hard without the main teaching focus - Look at the slides from the website - have a go at what you can. It will be an overview and practise of everything that we have done on fractions so far.

**Topic/Science - This week our focus will be a mini topic on Spring/Easter!**

**SOLE Question** - what are the traditions of Easter? What are the similarities/differences between Easter celebrations around the world?

**Science** - follow the link to unbreakable egg experiment. Write a report about what happened. <https://www.science-sparks.com/unbreakable-egg/>

**Art** - can you do an observational drawing of a spring flower? It could be from your garden or from online. after the drawing take a photo and upload it to our Google classroom!

**PE** - I reckon that you could do even better than the Body Coach! - design your own 20 minute workout. Choose 10 moves, choose work/rest times. Make a video if you wish and post on our google classroom! Test it out on you family!

### Ongoing ideas to support your year 6 child -

KEEP CHECKING YEAR 6 GOOGLE CLASSROOM I WILL POST DAILY CHALLENGES, CHECK INS ETC.

Have a look at the P4C/Thinking Moves section on our school website - some home talk stuff to look at.

Log onto White rose maths party - <https://whiterosemaths.com/homelearning/> Choose your age group - watch the video - try the questions - share on google classroom

Practice spellings - this week we will continue to investigate prefixes - can you investigate the prefixes - 'non' and 'anti'? eg - non-stick, eg - antibiotics

How many words can you find with these prefixes? Do you understand what they mean? Could you use some of them in a sentence? **Challenge** - create a paragraph using these types of words!

Have a chat about this week's sticky question!
