

# Willaston School 'Isolation Learning Pack'- Year 5

## Week 2

### Daily Reading

As mentioned last week, Reading with your child at home will help your child in all areas of their schooling. Like last week, please ensure your child reads for at least 15 minutes each day.

Useful links to stories being read online;

### P4C

Create a poster to display your thoughts about **2** of the following questions...

Do we need friends to be happy?

What makes you, you?

What does it mean to be respectful?

What is more important, doing the right thing or doing things right?

### Literacy

In literacy this year we designed and described our very own 'foodimal monsters', this week I would like you to think back to these sessions and use what you learnt to complete the following tasks.

**Task 1** - Design a new 'Foodimal' and write a paragraph describing it using all your best adjectives and similes.

**Task 2** - Draw your 'Foodimal' ensuring it links well with your description

**Task 3** - Write a story all about your foodimal, just like our 'Tacodile' example text (*attached to this week's learning*)

### Numeracy

**Task 1** - Put your practise to the test and log in to your Times Tables Rockstars account- how many coins can you earn?

**Task 2** - Find a pack of cards and teach a family member how to play the 'Spiral Game' like we do in class!

**Task 3** - Demonstrate your understanding of number by completing the 'number representation' doc

(*attached to this week's learning*)

### Topic

Think of a country around the world that interests you and create an information page all about it!

You may choose to do this on paper or on the computer?

**Please include:**

Facts

Images

Organisational features of a Non-fiction text such as; a title, introduction, sub titles, paragraphs etc.

### Help at Home Challenges

#### Be a washing up whizz!

Wash the dishes as many times this week as you can to help your adult!

#### Be a bed making boss!

Make everyone's beds at least 2 times this week.
